

Questions asked concerning the RFQ (updated 4/26/23)

1. For the 30 HBA trash cans
  - a. Are these the cement ones or the green wire ones? **The green ones.**
  - b. Are we expected to wash the interior of the trash cans or just the exterior **Exterior only.**
  - c. For the standalone trash cans how big of a radius are we expected to clean **Within a foot of the can.**
2. Do we need to bring our own water or can we use water from either the store fronts belonging to the HBA or possible from public water sources? **HBA will cover cost of water. HBA has a fire hydrant water and this can be used. If contractor has a less expensive source of water, the HBA will consider paying for this water.**
3. What are the possible operating hours? I want to make sure we do not disturb the HBA's customers **Between the hours of 12midnight and 10am are good times through traffic congestion after 6am could be an issue.**
4. On the map you have highlighted a block on Evans Place, however there are no addresses listed on page 2 of the RFQ **Do not include this block.**
